

Lahaina Shores Beach Resort – Located on a quite Beach Close to the action.

Release Date: 1/05/2008

LAHAINA, MAUI, Hawaii – An unbiased review in Conde Nast Traveler recognizes Lahaina Shores Beach Resort as one of only two recommended accommodations on Maui. This top travel publication calls out the resort's unique features: "an oceanfront condominium that feels like an intimate hotel," "Within walking distance" to the center of Lahaina.

Savvy visitors to Maui return again and again for the best of both worlds - a mid-priced condominium in a spectacular-yet-quiet location directly on the beach in Lahaina. Affordable dining and shopping can be found right next door at the 505 Front Street with small boutiques, ocean front restaurants, galleries, a second hand bookstore and even a quaint cafe.

The wooden lanai railings of Lahaina Shores add an “Island beach house” feeling and from the oceanfront units you can hear the waves lapping on the sand at night. The beachside freshwater swimming pool and lounge chairs set amidst flowering trees and fragrant blossoms offer a private gathering spot for guests.

Studio, one-bedroom, and penthouse condominiums are available with views of dramatic mountains or breathtaking ocean front.

Lahaina Shores Beach Resort is managed by Classic Resorts, a Hawaii-based condominium management company specializing in luxury properties in unique locations.
