Release Date: 1/5/08

LAHAINA, MAUI, Hawaii – Pu'unoa Beach Estates is a well-kept secret among celebrities and CEOs who require a secluded luxury hideaway yet want to be close to the fun of Lahaina's trendy Front Street. These exclusive townhomes on three acres of beautifully landscaped gardens offer a choice of configurations ranging from 1,700 to 2,100 square feet: two bedroom or two bedroom with loft. Lavish space, elegant appointments, vaulted ceilings and genuine koa wood accents create the aura of an exclusive retreat.

Each townhome is directly on the ocean with breathtaking views from a private beachfront lanai, an expansive master bedroom and bath with a double whirlpool tub, a bath with every bedroom, fully equipped kitchen, central air and ceiling fans, and of course daily maid service. The newly enhanced Fitness Center offers popular equipment including a True© treadmill, a workout bench with Hoist© free weights, a Schwinn© bicycle, a Cybex© Universal workout station and a stereo system for those who enjoy music during their workouts. Also guests can stay in touch by using the complimentary computer station with Internet and email access and a printer.

The Estates' shimmering freshwater pool, spa, sauna, and lounge deck invite sunning, reading and relaxation. Casual cookouts and sunset gatherings are carefree as new gas BBQ grills are kept meticulously clean by staff and are always ready to enjoy. Adjacent to the pool is a quiet beach with swimming, snorkeling and even whale watching during the season from December through April.

Personalized concierge service, daily newspaper delivery, in-room safes and other thoughtful amenities assure the satisfaction of discriminating travelers. Rates start at \$800 for a Two-Bedroom Ocean Front to \$900 for a Two-Bedroom Ocean Front with Loft, from January 5-December 19, 2008.
